## Notification letter - merger / new contact details

We are pleased to inform that effective from **1 July 2019** E&P Information Management Association (EPIM) and Geodata Trade Operator (GTO) will be merged into Norwegian Oil and Gas Association (Norwegian Oil and Gas).

Due to the merger EPIM and GTO will be dissolved, and all assets, rights, obligations and liabilities will be transferred to the Norwegian Oil and Gas. There will be no change in the operational activities to EPIM and GTO.

We kindly ask that all inquiries, notices, invoices etc. under agreements with EPIM or GTO after 1 July 2019, are directed to the Norwegian Oil and Gas.

Invoices must be sufficiently specified and documented so that Norwegian Oil and Gas can verify the invoice. The invoice must indicate both the contract's reference number as well as the First Name – Last Name of the contact person at Norwegian Oil and Gas.

Invoices shall be sent as electronic invoices (EHF) to business registration number 956 685 818.

If EHF is not available, submit invoices to:

Norsk olje og gass  
c/o NHO ServicePartner scanning  
Postboks 5250 Majorstuen  
0303 OSLO

Invoice address: [efaktura@nho.no](mailto:efaktura@nho.no)

Correctly presented invoices that are in accordance with the contract will be paid by Norwegian Oil and Gas within 30 (thirty) days from the date of receipt.

If the invoice is not prepared in accordance with the above specification, this can lead to delayed payment, without the Contractor thus being entitled to demand penalty interest.

Please, until further notice, continue to use the same focal point of contact as before.

\* \* \*

The Norwegian Oil and Gas Association is a professional body and employer's association for oil and supplier companies. By merging with EPIM and GTO, a more appropriate organization structure and business model will be established, considering the challenges, needs and opportunities the parties and their member companies, have today and are expected to meet in the future.

We look forward to continuing our business relationship with you as our Contractor to secure the business continuity for the new and exciting times ahead.

For and behalf of  
The Norwegian Oil and Gas Association

Knut Thorvaldsen  
Deputy Director General
